

It is time for a Reiki Training PLUS - Masters Level. This one will be on two weekdays.

Monday and Tuesday February 13th and 14th

9:30 am to 4:30 pm each day

\$325.00 per person

Lunch provided.

Where? My Home, Waasis, NB

Our Reiki Masters Course has four participants only. We already have two. Are you one of the other two people who will make our foursome complete?

Reiki Training at the Masters level is the completion of all that you have begun with your level one and two training. Mastery does not mean that you must "teach" Reiki. In fact, the Master level initiation is a wondrous way to simply bring your self closer to your own life mastery.

As well, it is NOT necessary to have taken any of your previous levels with "me". We will review the Plus aspects of our Reiki Training Plus Levels one and two at the start of this class and you will get those manuals for your use.

In accepting Your Reiki Masters Level, you are accepting your mastery on so many levels. In our Reiki Masters course we will be exploring you as a master using visualized meditative techniques and inner communication techniques. As well, of course, we will be studying the traditional Reiki Masters work with new symbols and reviewing how you would do initiations and teach Reiki to another.

The cost of this course is \$325.00. Payments over two months is available. The course is being offered on Monday February 13th and Tuesday February 14th, 9:30 am to 4:30 pm each day - we will be done by 4:30 pm so your sweetheart can still take you out on the town! We will provide a home made soup for lunch each day.

As well, this gets you CD copies of all three levels' manuals and certificates for your use should you decide to teach Reiki. If you would want to teach, at any time, you can sit in on any level course that I offer, watch, learn and in fact, do one of the initiations as practise for teaching it your self. And, I am always available to you in a mentoring role as your work with the development of Your Mastery to its next levels.

So, if it is time and your heart directs you, please do join us! Call now, as there are only two spots open. Would love to work with you. Offered from our heart to yours! D.
